2019-2020 CELT Programming and Events

Our Mission
The Center for Excellence in Learning and Teaching (CELT) established in 1993, focuses on our mission of “Partnering with educators to advance student-centered learning at Iowa State University.”

CELT provides resources for instructors, faculty, staff, graduate students, and postdocs interested in teaching. We offer face-to-face one-off workshops, longer-term teaching and learning circles on selected topics, and facilitation of teaching and learning communities. We have also developed a rich set of online resources that support CELT’s mission and current initiatives available on our website (http://www.celt.iastate.edu/).
