

## CELT Strategic Plan Action Matrix

### Strategic Directions: Strategic Thinking/Planning

Strategic Goal (how you are going to achieve it): Critically reflect on how each program relates to the ISU Strategic Plan

**Objective 1 (action steps):** List out the CELT programs and program areas and their objectives. Match these to the ISU Strategic Priorities.

How does this Objective advance the Strategic Goal? Defines and illustrates the alignment of CELT programs and program areas with ISU Strategic Priorities.

Measure of Success: Identify areas that fully meet the ISU Strategic Priorities; identify areas that do not and determine the next steps.

Tasks(s): at least one per Objective	Deliverables	Resources Impact	Responsible Party	Target Completion Date
List out CELT programs and their objectives.	List	Time	Sara	October 8
Determine objectives by emailing key contact if not present/known.	List	Time	Sara	October 8
Match these to the ISU Strategic Priorities	Matching List	Time	All committee	October 8
Determine gaps in CELT programming to meet ISU Strategic Priorities	Perhaps a new webpage, program, resource, etc.	Possible financial resources and time	All committee	October 8
