#CyThx 2021: Who makes you feel like a valued member of the ISU community?

To celebrate effective teaching, advising, and mentoring, the Center for Excellence in Learning and Teaching (CELT) partners with ISU Learning Communities, Multicultural Student Affairs, Student Government, and Graduate and Professional Student Senate for the annual recognition project #CyThx at Iowa State University.

In our fourth year, #CyThx once again promoted ISU's Strategic Goal 4, "Continue to enhance and cultivate the ISU experience where faculty, staff, students, and visitors are safe and feel welcomed, supported, included, and valued by the university and each other." #CyThx invited Cyclones to share, "Who makes you feel like a valued member of the ISU community?"

In 2021, we received 342 #CyThx submissions from 113 units at Iowa State. We have shared each #CyThx with each recipient and their unit leader. Below is the list of the #CyThx recipients (please note, some people received multiple #CyThx.). The #CyThx website (<https://go.iastate.edu/NO8XBC>) hosts the message for those community members who wanted it published publicly. This year, those Cyclones who requested a private #CyThx message states, "#CyThx comments only shared with the person thanked."
