1. Student Feedback for F2022-Demo Dept [Sample Instructor] (Lecture)

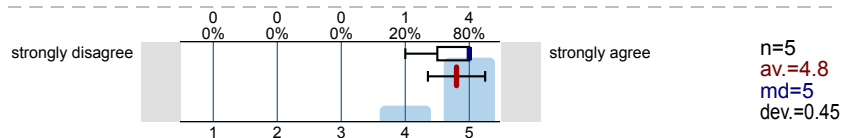

1.1) The instructor provided feedback on my academic work that was helpful to my learning.

1.2) The instructor assisted me when I had questions regarding course content during the semester.

1.3) The instructor established an environment that was conducive to learning.

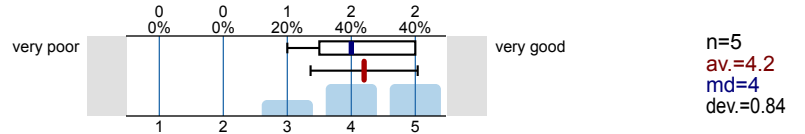

1.4) What helped your learning the most in this course?

- Having the lecture notes during the lecture helped me to be able to focus on learning rather than on copying down everything that was said.
- She made the class fun. Her online games and candy prizes made me want to pay attention.
- The instructor's lectures were the most useful because she explained the concepts so well and in different ways.
- The teacher was the best part of this class. The relatable examples helped me make connections to the real world and made everything easier to understand.
- studying

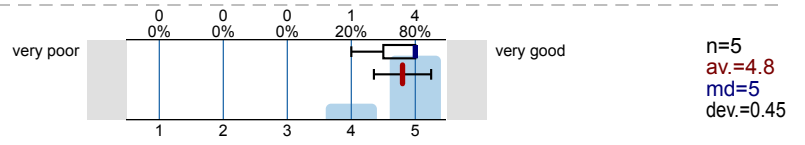

1.5) What changes could have been made to enhance your learning in this course?

- Having some practice questions would have helped me do better on the homeworks.
- I should have put in more time prepping for the tests.
- I would have benefited from study guides leading up to the exams.
- Nothing - this class was awesome
- studying more

1.6) My overall rating of this course is:

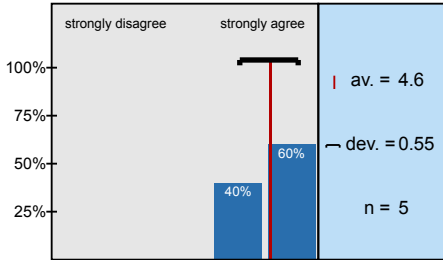

1.7) My overall rating of the instructor is:

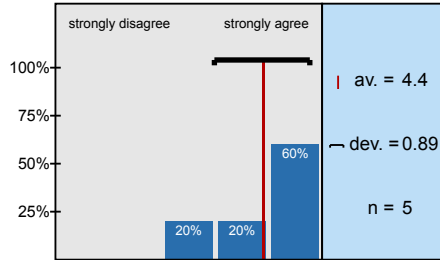

Histogram for scaled questions

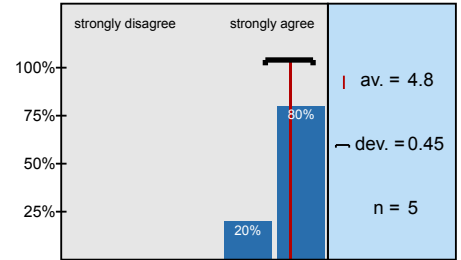

The instructor provided feedback on my academic work that was helpful to my learning.

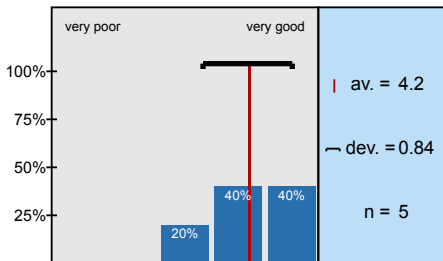

The instructor assisted me when I had questions regarding course content during the semester.
